

Technical information about the Mentor Program

Every student who is matriculated at the Department of Computer and Information Science is automatically put into a group e-mail alias for mentees in the Department of Informatics & Information Science.

These are the current **group e-mail aliases for mentees**:

☐ <code>mentees_DK(at)inf.uni-konstanz.de</code>	Mentor: Daniel Keim (DK)
☐ <code>mentees_DS(at)inf.uni-konstanz.de</code>	Mentor: Dietmar Saupe (DS)
☐ <code>mentees_HR(at)inf.uni-konstanz.de</code>	Mentor: Harald Reiterer (HR)
☐ <code>mentees_MB(at)inf.uni-konstanz.de</code>	Mentor: Michael Berthold (MB)
☐ <code>mentees_MG(at)inf.uni-konstanz.de</code>	Mentor: Michael Grossniklaus (MG)
☐ <code>mentees_MS(at)inf.uni-konstanz.de</code>	Mentor: Marc Scholl (MS)
☐ <code>mentees_MW(at)inf.uni-konstanz.de</code>	Mentor: Marcel Waldvogel (MW)
☐ <code>mentees_OD(at)inf.uni-konstanz.de</code>	Mentor: Oliver Deussen (OD)
☐ <code>mentees_SK(at)inf.uni-konstanz.de</code>	Mentor: Sven Kosub (SK)
☐ <code>mentees_SL(at)inf.uni-konstanz.de</code>	Mentor: Stefan Leue (SL)
☐ <code>mentees_BG(at)inf.uni-konstanz.de</code>	Mentor: Bela Gipp (BG)
☐ <code>mentees_UB(at)inf.uni-konstanz.de</code>	Mentor: Ulrik Brandes (UB)
☐ <code>mentees_BO(at)inf.uni-konstanz.de</code>	Mentor: Bastian Goldlücke (BO)

In order to find out your current mentor you need to login as follows:

```
ssh -l popxxxxx titan07.inf.uni-konstanz.de
```

Replace `mdmxxxxxx` with your personal pop-ID (from Computing Centre (RZ) account).

(Windows users can use an ssh Client Program, e.g. winssh)

Please start the following program in a terminal window:

```
get_mentor
```

Please send an e-mail to **syst(at)inf.uni-konstanz.de** specifying your "@uni-konstanz.de" e-mail address if you have any of the following questions/requests:

- ☐ Which other students are in my mentee group e-mail alias?
- ☐ I would like to change my mentor.
I would like my new mentor to be: _____ Name of the mentor _____
