Group II: Publication with consent

Universities are allowed to publish the following contact information according to § 12 para. 5 Landeshochschulgesetz (higher education law): name, office, title, function, phone and fax numbers, as well as e-mail and internet addresses of their members and staff, if it is required within the scope of the university's function.

The University of Konstanz assumes that this applies to the following groups of people:

• Professors

• Lehrkräfte für besondere Aufgaben (teacher for special assignments)
