INFORMATION

The registration periods listed below are binding!

After consulting the departments, the Central Examination Office determines the following REGISTRATION PERIODS for the master's thesis (including final examination, if required) and/or the oral examination in master's study programmes in the humanities:

01 February to 15 February*
Start of the thesis: end of April,
(final examination, if required: September)

and

01 July to 15 July*
Start of the thesis: end of October,
(final examination, if required: March)

Please get your registration documents in the weeks before your registration period starts in room C 402 (Mr Nuber).

*This is the cut-off date!
