Dear colleagues and researchers,

We would like to draw your attention to a funding call which is particularly interesting for EUniWell, its member universities, and our topic of well-being.

NORFACE, an initiative of national research funding agencies in Europe promoting New Opportunities for Research Funding Agency Cooperation in Europe, has announced a call on “Enhancing well-being for the future” and we would like to encourage joint EUniWell projects to apply to this call.

Essentials of the Call:

- “Enhancing Well-Being for the Future” can be approached from a variety of perspectives and disciplines
- In particular, 4 themes can be pursued: 1) Crises, challenges, and well-being, 2) Environmental challenges and well-being, 3) Well-being and mental health, 4) Well-being, economy, and politics
- EUniWell countries eligible for funding are France, Germany, Spain, Sweden, and the United Kingdom
- Projects must include at least 4 and max. 6 PIs as partners from at least 4 different countries
- Project duration: 24-36 months
- Up to a maximum amount of 1 500 000 € funding (across all partners)
- Deadline for outline proposals: September 21, 2023
- Deadline for invited full proposals: March 26, 2024

You will find a detailed call description as well as further call documents here: Announcement of the Call: “Enhancing well-being for the future” | CHANSE

We are happy to support you in finding partners and we will offer a first Zoom meeting on the call to exchange and/or coordinate ideas on
