Lake Constance Summer School

»DO IT. Don’t even ask questions – just do it!
Without a doubt, enrolling in the summer school course of Lake Constance Arts & Science Association was the best decision I have ever made, and it was the best month of my life; hands down. It was fun, it was educational, and it was a life experience everyone should have, and learn from (…). If you want to learn German, this is the way to do it. I learned more in one month than I have in two years of studying the language.

Lake Constance Arts & Science Association
The Lake Constance Arts & Science Association supports and facilitates cooperation between higher education institutions around Lake Constance, across four countries. World-leading research universities, universities of applied sciences, teacher training colleges, as well as music and art academies work together under the auspices of the Lake Constance Arts & Science Association, creating mutual synergies from their individual strengths and perspectives.
Learning German can be more than studying grammar and memorising vocabulary. It can also mean discovering the culture of German-speaking countries, spending the summer in the tri-border region of Germany’s biggest lake in the heart of Europe, making international friends and gaining ECTS credits for it!

The Summer School of the Lake Constance Arts & Science Association consists of a four-week intensive German language course accompanied by an attractive cultural program … great fun included!

The Lake Constance Summer School is hosted by the University of Konstanz, known for being a modern, small and highly awarded university.

**Intensive Language Course**

**Levels A 1.1 – B 2.2**

We offer a program of high quality German language courses in small study groups at different levels. Trained and experienced lecturers will teach you in morning classes, supplemented by additional seminars, excursions and lectures in the afternoon, which will give you the chance to practice your German actively.

**Levels:**
- »Grundstufe« (Basic Level) A 1.1 – A 2.2
- »Mittelstufe« (Intermediate Level) B 1.1 – B 2.2

At the beginning of the course we will determine your class level in a written and oral test.

**Content:** Listening comprehension, oral skills, writing and reading of texts are combined with grammar, vocabulary and pronunciation exercises. In the intermediate and advanced levels, geographical and cultural topics and study-specific skills (e.g. notation exercises, presentation techniques) will be taught.

**Class size:** Small student groups with max. 15 participants per class.

---

**Tuition hours:** Around 74 hours language classes, 3 lectures.

**Credits:** Graded or non-graded certificates of participation with 6 ECTS credits.

**Please note:** Regular attendance of the class and of the whole program, daily homework (one hour per day) as well as a final exam are essential for a graded certificate.
