

Attachment to your application for admission to studies

(Last update: 04/2018)

Student Advisory Interview

Because of **changing** your course combination resp. your study course **during the 3rd or higher semester**, you are subject to the regulations which are mentioned in § 60 para. 2 no. 5 State Law on Higher Education (LHG). Therefore you have to attend to an advisory interview at the responsible department/s of the Konstanz University before your enrolment.

The verification of the carried out advisory interview has to be made only by using this form. The grey fields have to be filled in by the applicant. You can find your departmental advisor online under www.uni-konstanz.de > **Study > Advice and Services > Departmental Student Advisory Service** and Examination Offices. The advisory interview has to be done for all study courses to which you want to change.

Surname, first name	Applicant-no.

► Current study course:
