- Visit lectures at our partner Universities close-by, e.g. at the University of Zurich
- Excellent opportunities to start your PhD (fast track) or graduate with a double degree
- Great career opportunities
- Be part in an international and open environment in the heart of Europe

Main Options for Internationalisation

The University of Konstanz and the Department of Economics cultivate numerous partnerships with European and non-European universities so that you can complete part of your studies abroad.

Option 1: Study abroad in Europe with ERASMUS+

- 45 partner universities in 22 countries
- guaranteed monthly grant, no tuition fees at partner universities
- <https://www.wiwi.uni-konstanz.de/en/international/study/konstanz-students/>

Option 2: Study abroad overseas with the program GLOBAL

- no tuition fees at partner universities
- assistance with application and enrolment processes at host institution, information about scholarships
- <https://www.uni-konstanz.de/en/international-office/opportunities-to-go-abroad/study-abroad/>

Option 3: Double Degree options in the Master's program in Economics

- Our department offers several high quality double degree options.
- Choosing a double degree options means that you will study one year in Konstanz and one year abroad at one of our partner departments - **and finish your studies with two Master's degrees!**
- The application for the double degree, whether you intend to spend the first or the second year at the partner university, is included in the MSc Economics application.
- <https://www.wiwi.uni-konstanz.de/en/international/study/double-degree-options/>
