Finding the right internship

- Show personal initiative! Individual planning is necessary
- Consider the requirements of the study regulations for compulsory internships of your study program
- Look for specific information about work guide lines abroad, e.g. minimum wage, visa requirements at your host country
  → Support from the IO: www.uni-konstanz.de/outgoing-centre
  → DAAD Information about the host country: DAAD > Länderinformationen
- Private placement agencies with costs (check thoroughly!)
  → quality check for internships abroad under: www.wege-ins-ausland.org
Finding the right internship

- Internship data base of the Career Service: ZEUS
- Internship databases of the departments of psychology, politics and administration, history and sociology, each with field reports; students of teacher education have an own website with field reports
- Information about internships on the International Office website at: uni-konstanz.de/international > Wege ins Ausland
- Information about study field related internships under: www.daad.de > Praktikum
- Web platform to search for Erasmus+ internships: erasmusintern.org
