Call for Applications: Zukunftskolleg Interdisciplinary collaborative projects

The Zukunftskolleg of the University of Konstanz offers up to

5 Grants of up to 10,000 €

to initiate new interdisciplinary collaborative research projects.

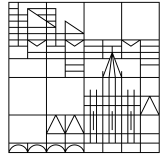

In line with the multidisciplinary character of the Zukunftskolleg, the program is open to postdoctoral researchers in **all faculties** of the University of Konstanz. Projects involving postdoctoral researchers from other universities are also welcome.

Aims of the interdisciplinary research grant

The funding programme aims to promote research collaborations between postdoctoral researchers (non-tenured). An interdisciplinary research project gives grant holders the opportunity to identify and explore new, innovative and/or risky research perspectives with neighbouring disciplines and across disciplines. The grant should facilitate expert-intensive and inspiring research and offer recipients the chance to work together with colleagues from different disciplines, as well as to develop cross-cutting methods and topics.

The grant may cover consumables, staff (student assistants), the costs for a retreat, a research meeting or a workshop.

Young researchers from all faculties of Konstanz University and fellows of the Zukunftskolleg are invited to apply by **October 31, 2019**.

Application

Applications must contain:

- An abstract and short overview of the scientific objectives of the project (max. 1 page). The description should be written for an interdisciplinary decision-making committee.
- A description of the scientific objectives that clearly states the interdisciplinary nature of the scientific project (max. 6 pages)
- A work plan
- An expenditure plan
- CVs of the principal investigators involved in the research project (maximum length 3 pages per principal investigator)
- Proof of the employment or of the scholarship at the University of Konstanz.

At the end of the project, we expect a final report on how the project goals were or were not achieved (1 page). The winners will be invited to present the project within the Jour fixe meetings of the Zukunftskolleg.

For questions contact Anda Lohan, LL.M (Tel. 07531 88-4821).

Please submit your application documents in English as a PDF file to:
