Call for Applications: Zukunftskolleg transdepartmental collaborative teaching 2020

The Zukunftskolleg of the University of Konstanz offers up to

5 Grants of up to 5,000 €

to initiate transdepartmental collaborative teaching.

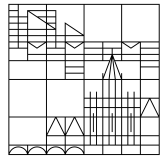

In line with the multidisciplinary character of the Zukunftskolleg, the program is open to postdoctoral researchers in **all faculties** of the University of Konstanz.

Aims of the programme

This funding programme aims at promoting the development of new teaching courses and at contributing to the departmental syllabi. The programme gives grant holders the opportunity to explore new, innovative topics in teaching, to further develop their teaching skills and to evolve teaching approaches across disciplines. New teaching formats are particularly encouraged. Recipients must deliver the course in the winter term 2020-2021 at the latest. The courses need to be taught by young researchers (non-tenured) from at least two departments of the University of Konstanz, and involve ideally at least one fellow of the Zukunftskolleg.

Financial support will be given, e.g. to invite guest speakers, organize visits to archives, museums, or perform experiments.

Application deadline: October 31, 2019.

31.07.2019

Applications must contain:

- A description of the proposed course, including a description of the need that the grant will fill (max. 5 pages)
- A plan of the course. The course will be listed in the departmental teaching curriculum.
- An expenditure plan
- Any logistical support needed that is not included in the budget
- CVs of the researchers involved in the collaborative teaching project (maximum length 3 pages per person).
- Proof of the employment or of the scholarship at the University of Konstanz.

At the end of the project, we expect a final report on how the project goals were or were not achieved (1 page). The winners will be invited to present the project within the Jour fixe meetings of the Zukunftskolleg.
