Information for using the uniMotion gym

The rules of the „Landesverordnung“ must be observed
Dear member

We are happy to have you here!

Here is some important information for using the uniMotion gym:

- The 3G rule applies. Please show at the counter without being asked
  - your current negative corona test or
  - your corona treatment from a maximum of 6 months ago or
  - your vaccination certificate. As a service, we offer you to store your vaccination certificate in our system, so that you do not have to show your vaccination certificate at every training session. Just let us know if you would like to make use of this service.
- Please disinfect your hands before entering the indoor or outdoor workout areas.
- Please wear a medical mouth/nose mask until you reach the training area. Wherever you are, please take care to leave at least 1.5 metres of space between yourself and everyone else.
- After using equipment, please be sure to disinfect all the surfaces you touched (each individual weight, each barbell, etc.).
- You can/should bring along the following:
  - The confirmation of the 3G rule
  - A towel
  - Indoor shoes
  - A water bottle (not glass)
- Opening hours: MO, DI, MI, FR: 8 a.m. - 10 p.m.; DO: 8 a.m. - noon and 4 p.m. - 10 p.m.; SA, SO and public holidays: 9 a.m. - 1 p.m. and 4 p.m. - 8 p.m.

If you have any comments, suggestions or criticisms, we would be very happy if you could give us feedback. This is the only way we can continue to develop and make the most of this time! If you have questions, please contact us at any time.

Your uniMotion team
