¹ GBP = Gesundheits-Basis-Programm = Programme subsidized by the health insurance providers AOK BW (Baden-Württemberg), Barmer and TK.

² VEUK = University of Konstanz Alumni Association; a VEUK membership makes it possible to become a uniMotion member or book the uniMotion GBP (VEUK membership costs € 45 per year)

³ If you are insured with AOK BW and take part regularly, the GBP will be free of charge (AOK BW reimburses the full amount). If you are insured with Barmer or TK, the 3 month-programme is free of charge.

Membership and Gesundheits-Basis-Programm GBP (basic health programme)

- A first-time membership fee of € 55 / € 60⁴ (students / staff and VEUK) is charged for our mandatory starter's package.
- That done, you can choose:
 - **Motion membership** € 26 / € 33⁴ per month
 - **GBP:** Programme subsidized by the health insurance providers AOK BW (Baden-Württemberg), Barmer and TK:
 - If you are insured with AOK BW and take part regularly, the GBP will be **free of charge** (AOK BW reimburses the full amount)
 - If you are insured with Barmer or TK, the 3 month-programme is **free of charge**

The motion membership runs for 6 months, the GBP for 3 months. The motion membership will automatically be extended for another 6 months, unless you cancel it. The GBP automatically expires after 3 months.

You can start the GBP during your motion membership. In this case the GBP will interrupt your membership for 3 months, and your contract will be extended accordingly.

Sport ticket

To take part in university sports you always need a sport ticket – but not as a uniMotion member! The sport ticket is simply included in the membership fee (both uniMotion membership and GBP). This means you do not need to book it when registering for other sports activities.

University sports for external guests

You can use either a 10-visit-pass (transferable) or a weekly pass. In this case, you do not need the starter's package or VEUK² membership:

- **Transferable 10-visit-pass** € 90 (no additional costs)
- **Day pass:** € 10 (no additional costs)
- **Weekly pass** € 15 (no additional costs)
- **Annual fee for external guests:** € 500 (no additional costs)

⁴ Students, pupils and trainees pay the first price, staff and VEUK-members the second price.

Extension and cancellation

uniMotion membership will automatically be extended for another 6 months if the contract was not cancelled by the 15th of the previous month. The GBP can be converted into a motion membership.
