Information on COVID-19

Your health and safety are important to us. Therefore please read this information carefully and mind the information given in case you are feeling sick throughout your exchange.

General information

- In Konstanz: Wear a mask indoors (supermarkets, offices, restaurants…) and in public transport (bus, ferry, train)
- On campus: Everywhere except when seated (in lecture hall, library working space)
- Make sure to keep your distance to others (1,5 m), wash your hands regularly (20secs)
- You are not allowed to enter campus without a reason (lecture, exam, appointment): you need to check-in at the entrance
- After each appointment you are obliged to leave campus afterwards (but are allowed to eat in our Mensa)

What to do if you feel sick?

- If you feel any symptoms (fever, cough, short breath, change of taste and sense of smell, sore throat, headache and aching limbs), you are not allowed to enter our campus
- This also applies if you had contact to an infected person
- Before going to the doctor you need to call them directly to ask for an appointment, please do not go to the doctor directly
  - describe your symptoms, make sure to save others
  - your doctor will inform you on the next steps to take
- if you catch COVID-19 your German statutory health insurance will cover all costs for you
- when being tested, you will need to quarantine until you receive the test result

- An overview of doctors that speak other languages than German, as well as hospitals in Konstanz is available on our website: https://www.uni-konstanz.de/en/international-office/study-in-konstanz/living-in-konstanz/medical-care/

Please inform the International Office about your infection! We will help you with all questions and concerns (international.incoming@uni-konstanz.de).

Last but not least: Please make sure to install the “Corona-Warn-App” (available in Google Play and App Store)

- Receive notifications if you were close to someone infected with COVID-19
- Receive results directly in the app after COVID-19 testing
- Enter your test results into the app to help others know about their exposure

Please stay healthy and mind the health of others!
